### *Who we Serve.*

### *Our Process.*

A Senior Outreach worker will provide an in-home or community visit to identify individual needs and discuss available services and benefits. By utilizing our software programs, the Outreach Worker will identify qualifying services, making referrals and following up to determine if needs have been met. We are also there to answer any questions that you may have.

### *Fees.*

There are no fees for our Outreach Services, all participants have the opportunity to make a voluntary contribution if they choose.

*Senior Outreach services and activities are made possible, in part, through a grant from Central Illinois Agency on Aging, Inc.*
