

Guardian Angel Home Breakfast/Lunch

Breakfast and lunch are available daily at Guardian Angel Home. Meals are eaten in the commons area of Gill Hall. We encourage children to get a good start to the day fueling their bodies by eating breakfast, and it is proven that breakfast improves classroom behavior.

Breakfast is available from 7-7:45am. Lunch is available from 12-12:45pm on days when school is not in session.

Meals are planned to meet student dietary guidelines established by the United States Department of Agriculture.
